

DDS&T 301/76
20 January 1976

MEMORANDUM FOR: Deputy Director for Administration

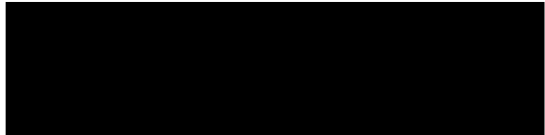

SUBJECT : Newsletters

REFERENCE : Your Memo DD/A 76-0214 dated 16 Jan 76;
Same Subject.

1. Currently in the DDS&T there are two newsletters which have been produced for several years and one under consideration for issuance in the next several weeks.

2. OTS publishes a news and technical paper quarterly which is distributed to Headquarters and field personnel. NPIC publishes a newsletter that has a scheduled monthly release; however, this schedule does slip to six or eight weeks. The DDS&T Career Management Office has under consideration the publication of a Career Service Newsletter which will keep our employees informed of Career Service policy, reassignment of senior personnel, and other areas of interest to our careerists. Outside of the above publications, there are no other newsletters published by this Directorate.

STATINTL

Carl E. Duckett
Deputy Director
for
Science and Technology
